WIND AND PERCUSSION AUDITION INFORMATION - FALL 2015

Thank you for your interest in the concert bands and orchestra at Virginia Tech! We have a wonderful semester of repertoire planned for all three large ensembles and regardless of which ensemble you are eventually placed in, this semester promises to be one of both excellent music and opportunities for growth.

Please take some time to read the following information carefully and don’t hesitate to email us with any questions you may have.

Wind and percussion auditions for the New River Valley Symphony Orchestra, Symphonic Wind Ensemble, and Symphony Band will take place during the first week of classes from August 24 to August 28. Trumpet players who are auditioning for the New River Valley Symphony Orchestra or the Symphonic Wind Ensemble will audition from 7:30 to 9:00 PM on Thursday, August 27 in Squires 243. Auditions will be blind and the required excerpts are outlined below. A copy of these excerpts is included with this packet.

- Bousquet - Study no. 1 from *Thirty-Six Celebrated Studies for Cornet*
- Grainger - “Horkstow Grange” from *Lincolnshire Posy*

Trumpet players who are only auditioning for Symphony Band should prepare a short excerpt of their own choosing that is around two minutes in length. You may also be asked to play a few scales and/or sightread during your audition. Symphony Band-only auditions will take place on Tuesday, August 25, Thursday, August 27, and Friday, August 28 in Squires 243.

Audition results will be posted by Friday evening, August 28 outside Squires 243 as well as emailed to everyone who auditioned. All ensembles will begin rehearsing during the second week of classes during the normal class period.

To sign up for an audition, please use the following link: [https://goo.gl/yL2JTT](https://goo.gl/yL2JTT). If you have an unavoidable conflict with the available times, please let me know as soon as possible.

I look forward to meeting and working with you all. Happy practicing!

N. Bousquet's 36 Celebrated Studies for Cornet.

These Studies will be an excellent practice, especially for the lower register of the Cornet, which is somewhat neglected in other Instruction Books. It is recommended that the pupil should practice one of this Series of Studies now and then to repose his lips, and acquire facility in difficult Fingering.

Allegro moderato.
